BCA Grad Photo Gallery

BCA Graduation, June 15-16, 2019

Cherish the memories. Share the moment with friends & family.

BCA has fostered a special collaboration with Jen Froese of “framedbyjen” and celebrates an annual tradition of creating a “Grad Photo Gallery” of modern, stylized, highly personalized professional photography in celebration of this milestone in our students’ lives. The end result is a gallery of downloadable images that capture both our graduates’ unique photo shoots and their corporate commencement experiences; a selection of these photos is showcased each year during our graduation banquet on a giant screen for all friends and family to enjoy.

Not only is Jen available to have private photo shoots with each grad, but she is our official photographer for our Grad Class photo, the Grad Processional Program and the Commencement Ceremony. By purchasing the Photo Package, Grads have access to download all of the images posted by Jen from the gallery and weekend events.

Check out this amazing sample gallery: <http://www.framedbyjen.com/proofing/bca-grad-2019-gallery-sample>.

For your reference, Jen is also available to be hired privately and independently of this package over the graduation weekend for half-hour bookings to photograph your graduate during the “Grad Banquet” and/or the “Grad Family Celebration.” Please contact her for these purposes directly at framedbyjen@gmail.com.)

THE BCA GRAD PHOTO PACKAGE INCLUDES:

For a single, all-inclusive fee of \$75, each grad will have access to the following downloadable images (no prints):

- 10 minute personal photo shoot* in one of two pre-determined locations in early June; OR combine your 10 minutes with a friend's 10 minutes for a 20 minute session if you want both group and individual shots—or similar combinations up to a maximum of 4 grads for 40 minutes; OR join with a few friends for a 10 minute slot if you all ONLY want group shots (no individual shots). Each person can only sign up in one slot for individual shots. From your photo shoot, you will get access to 5 edited shots/person or group combination equivalent.
