## **Fine Arts and PAA Elective Choices at CHS**

- For the information of both new and returning students, following are descriptions of the Fine Arts and Practical and Applied Arts courses offered at CHS.
- Parents need to note that all students are required to take at least two PAA or Fine Arts courses during their high school career.
- This is a requirement of the Saskatchewan Ministry of Education for all students graduating in Saskatchewan.

**Art 20/30:** These classes use a variety of media (watercolor, pottery, etc.) to work through the Art 20/30 curricula.

**Career and Work Exploration 30:** This class enables students to learn about occupational career choices through work-based learning experiences.

**Choral 9/10/20/30:** Students participate in rehearsal and performance of choral music.

**Drama 20/30:** Students acquire a number of understandings and abilities in drama, which they apply to the creation of works of dramatic art and a class-end culminating drama for a live community/school audience.

**Leadership 10/20/30:** Do you (or others in your life) see leadership qualities in you? Do you want to gain a better understanding of who you are as a leader and what it takes to build up your leadership qualities? This course will focus in on your own personal development while functioning as the central hub for planning school events that the Student Leadership Council holds each year.

**Practical and Applied Arts 9:** This class incorporates modules from Information Processing, Mechanics, Design and Foods.

**Practical and Applied Arts A10:** This course includes modules from Construction, Information Processing and Foods.

**Practical and Applied Arts B10/B20/B30:** This is an integrated course that will include using graphic design, photography, and audio and video production skills to produce: the CHS Print Yearbook, CHS Highlight Videos, Video and photography content for display on our school website, hallway monitor, and bulletin boards. This two (2) credit course will take place in semesters 1 and 2 and is open to any grade 10, 11 or 12 student.

**Practical and Applied Arts A20:** This course includes modules from Foods, Clothing, Information Processing, and Finance.
