

## BCA GUEST VISITOR APPLICATION FORM

While under our care, we expect our students' guests to follow the same guidelines as we have for our BCA students. Our mission, vision, values, policies and handbook are all available online at [www.briercrestchristianacademy.ca](http://www.briercrestchristianacademy.ca); we request that our students, their invited guests and their parents reference these resources during the application process. In the event that an issue arises regarding a guest, BCA administration and/or BCS/BCA Student Development personnel will address the situation; this may involve requiring the guest to leave the event and to be transitioned to the care of either the guest's parents' or the BCA student's parents. All medical information related to the care of our guests should be easily accessible through either the guests' or the BCA students' parents. With this in mind, please thoughtfully fill out the information below and sign your agreement at the end of the attached form.
