BCA Grad Processional Program: Presentation of the Graduates & Escorts from the Stage

BCA Graduation, June 15 – 16, 2019

Share the Spotlight with the Person Who Matters Most to You!

On Saturday afternoon, we start with our “Grad Processional Program” in which each graduate is presented on the stage of Hildebrand Chapel while a description of their future plans and notes of gratitude are read by our student emcees.

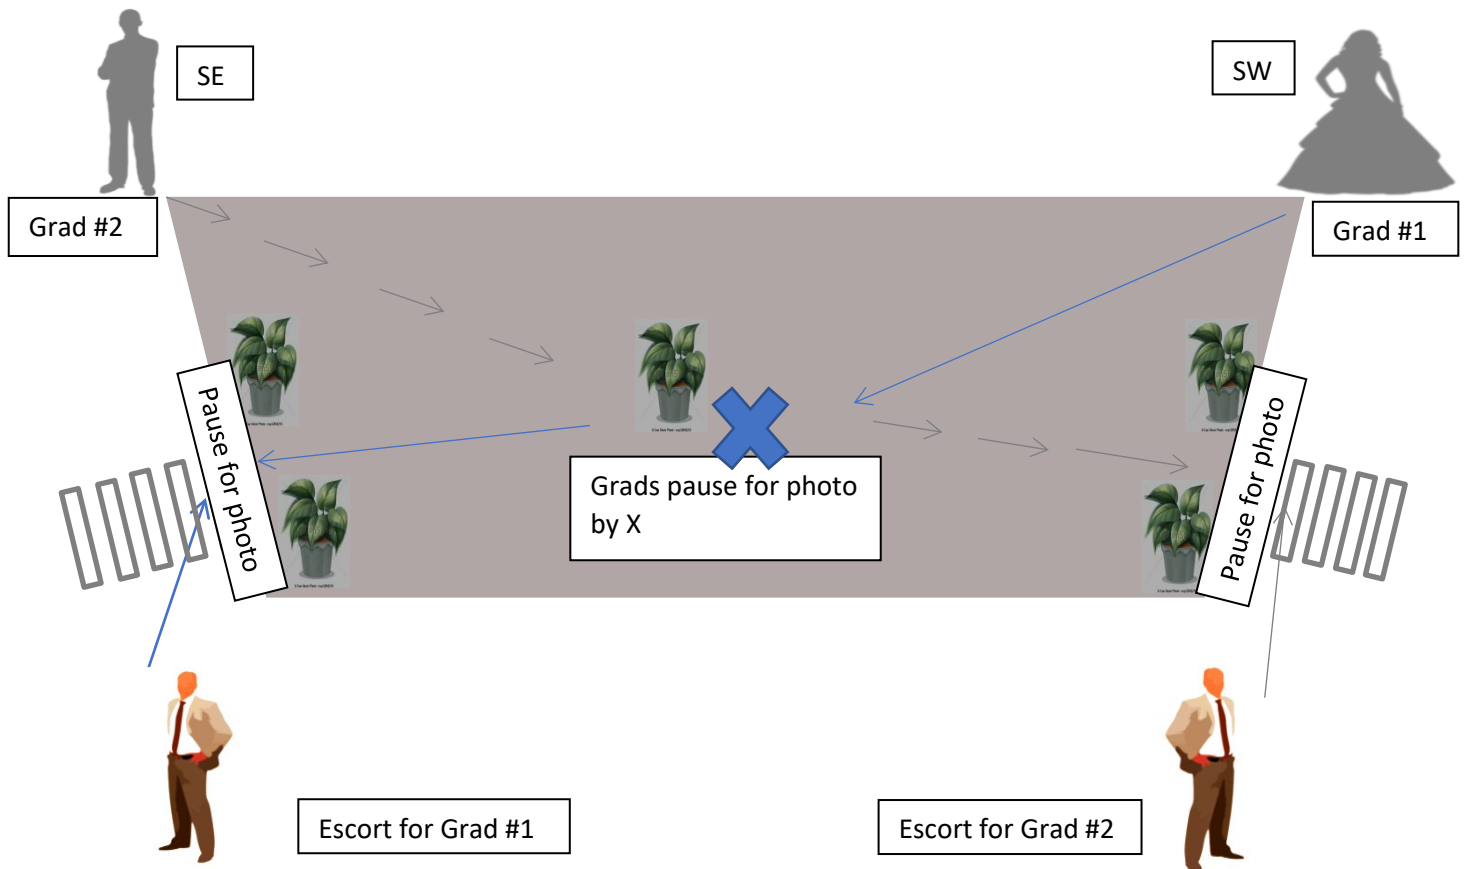

As a graduate, you are invited to select a person who is important to you to escort you from the stage to your seat. Please note the following details:

- Notes about each grad will be read while the grad walks across the stage.
- Grads will pause in the center of the stage for an official photo and will then pause again at the top of the stairs so that friends and family can take photos.
- Grads will then be escorted to the grad pews by someone who has played a significant role in their lives—parents or guardians, grandparents, aunts or uncles, baby nieces or nephews, mentors, RDs, RAs, etc. You cannot have a fellow grad escort you.
- The grads will sit together in the pews; the escorts will return to where they were sitting when the program began.
- The program will indicate which side each grad will be on so that escorts can meet them at the correct side of the stage.
- On the online form linked on the “Forms for Graduates” page, you will be asked to include the name of your escort, their relationship with you and an email address that we can use to contact them to provide them with further information.
